The Jazz Show Never, Ever Ends

He explained one of /
the silent scenes of pandemic /
Times Square in loudness

His New Orleans /
youth got his swing in full view /
as the world awaited

The pandemic will /
only make him see farther /
as his songs soar on

Her Swedish jazziness /
loves music on her bones and /
plants music notes afar

America was /
her back story as the sure /
stage waiting for her

She only listens /
to jazz and in turn the jazz /
adores her like new

She sails this new world /
like a jazz queen that found a /
freedom never seen

The pandemic was /
a Europe stopper as the /
horns yearn to go talk

COVID music will /
reach new annals of pleasure /
as the earth roars low

All the cats miss the /
hell outta it all as the /
née becomes the old

Paris calendar /
notice of cancelled show is /
now the new 2020 news

He caught Ella live /
and had no idea all /
could twinkle as such

Guitar virtuoso /
lords over NYC like one cool /
futuristic sound

Canadian jazz /
savior n his cellar is /
bottling 2021 now

The world slowed down at /
a full clip as the jazz cats /
yawned in perfect sound

California jazz /
singer calls me Jim and that's /
just cool with me - see

Socializes COVID /
gatherings is medicine /
we call a vote for

She gives the world a /
new album on a smile as /
the whim stretches on

Canadian jazz /
princess sprinkles her riches /
on a shades of folk

The jazz crowds are now /
gone in 2020 fog and he says /
good luck to 'em all

NYC wine on a cold /
pandemic AM as the empty /
lurches on like 2020

They will only thrive /
live like house plants as the silence /
hurts like tinnitus

He pays his bills with /
government coins as the 2020 /
storm seeps like rumors

He took 2020 on as /
his super jazz group masks up /
for live gigs as heroes

He daydreams in full /
KC colors from his Brooklyn /
2020 home of forever

He's the hero of /
the modern race tale as his /
2020 jazz blend heals all

Ran into the cool /
Minneapolis jazz cat /
by pure accident

He will heal the young /
inner city kids with a /
pure golden jazz soul

NYC baritone hero /
caught the COVID in Paris /
as 2020 got cloudier

His online students /
healed his COVID as the world /
raged in red silence

The jazz duo will /
complete each other in a /
1 fragmented game

Henry got the jazz /
car keys from Uncle Mingus /
at full metal pedal

He snuck into the /
CA club to watch jazz legends /
suck pure cigarettes
