

GLADDEN ELEMENTARY

2012-2013

Justin Mefferd

Our purpose is not to complain about the steepness of the climb, but to help each other on the way that is often difficult and sometimes perilous. And in the end, all that we do should not be done to glorify ourselves, but to serve others." Oliver North

"Unless you try to do something beyound what you have already mastered, you will never grow." Ronald E. Osborn
